fmr Associate Professor of Radiology Harvard Medical School
Founder & President of Comfort Talk®**

**Wednesday, January 13, 2015
12:00 – 1:00 pm
Communicore C1-4**

Videostreaming

LEARNING OBJECTIVES:

Upon completion of this activity, participants should be able to:

- 1) Identify drivers of patient satisfaction and positive patient experiences**
- 2) Assess the effect of word choices on patients' pain, anxiety, procedure-related complications, and clinical throughput**
- 3) Experience and learn one rapid technique to decrease distress in clinical settings**

Speaker Disclosure:

Dr. Lang has disclosed that an SBIR-NIH grant was awarded to her company Hypnalgescics, LLC d/b/a Comfort Talk and is the owner of Comfort Talk. No one else in a position to control content has any financial relationship(s) to disclose.
